RESULT 12 A49175 Motch B protein - mouse (fragment) N;Alternate names: Notch homolog

```
A; Molecule type: mRNA
A; Residues: 1-1203 < LAR>
A; Residues: 1-1203 < LAR>
A; Cross-references: EMBL; X68279; NID:g287989; PIDN:CAA48340.1; PID:g287990
A; Experimental source: embryo
A; Note: sequence extracted from NCBI backbone (NCBIP:126158)
C; Comment: This protein has many EGF repeats and lin-12/Notch repeats.
C; Comment: This protein is one of the neurogenic proteins controlling the decision betwee C; Superfamily: unassigned ankyrin repeat proteins; ankyrin repeat homology; EGF homology
C; Superfamily: EGF homology < EGX1>
F; 143-174/Domain: EGF homology < EGX1>
F; 143-174/Domain: EGF homology < EGX1>
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        C:Species: Mus musculus (house mouse)
